<input checked="" type="checkbox"/> Person Conditions												
<small>Summary of Grievance (Provide information including a description of what happened, when and where it happened, and the name or identifying information for each person involved):</small> <p>The Mold levels are so high in the School/Law Library Building that you can see and smell it clearly. I have been enrolled in School for approximately 6 years, on and off, and the Mold has gotten progressively worse during this time. Whereas, students cannot sit in the Classroom without becoming light-headed, coughing and nose beginning to run. It has gotten to the point that on the above date I had to be examined by the Prison eyedoctor because for a year or so I've been experiencing eye irritation, eye pain, changes in vision, and redness and...</p> <p>Relief Requested: Compensation and punitive damages; and that the conditions in the School Building/Other Buildings be rectified immediately. - except no retaliatory measures to stand as a direct or indirect result of filing this grievance.</p> <p><input type="checkbox"/> Check only if this is an emergency grievance due to a significant risk of imminent personal injury or other serious or imminable harm to self.</p>

OFFENDER'S GRIEVANCE (Continued)

seen Swelling in my eye-lids. During this examination the Eye Doctor informed me that my Inter-Venous in my left eye is more enlarged than normal and asked if I was afraid Mold is because Mold is what is causing my eyes irritation.

I was placed on two different Medications: (Ketotifen Fumarate, Ophthalmic Solution) and (Artificial Tears).

The Mold is the cause of my Eye sickness, and the Mold is not just in the School Building, but all throughout this Prison, including the Cellhouses and the showers. Black Mold doesn't just attack a persons Respiration, but also other organs throughout the body by causing the disintegration of Organic Matter. XXX
